

READING REQUIREMENTS

Europe Branch, D/GG

11 March 1960

GROUP I

Country or area

Subject

All European Satellites:
 Albania
 Bulgaria
 Czechoslovakia
 East Germany (Sovzone;
 GDR)
 Hungary
 Poland
 Rumania

Austria
 Cyprus
 Faeroe Islands
 Finland
 Greece
 Greenland
 Iceland
 Jan Mayen Island
 Norway
 Svalbard (Spitzbergen)
 Yugoslavia

Agricultural land use (omit periodic reports on crop conditions)
 Air facilities (comprehensive lists only)
 Atomic power (reactors, power plants, construction plans)
 Council for Mutual Economic Assistance (CEMA) (General reports of meetings and agreements; amount and kind of inter-regional trade between Eusat countries, e.g., between Upper Silesia in Poland and Slovakia in Czechoslovakia)
 Communist and rightist parties (only location of areas of strength)
 Fisheries (location, fishing limits claims; disputes with other countries; types of fish; general reports on quantities; omit periodic reports on quantities)
 Forest and land use
 Guided missiles (only location and description of suspected sites)
 Inland waterways
 Internal administrative divisions and boundaries (all data on geographic-administrative structure of country)
 International boundaries (description of boundary and markers; boundary changes; disputes; border security installations and provisions)
 Maps, mapping organizations and programs
 Military data (military zones; atomic, biologic, chemical warfare sites; suspected GM sites; general surveys of OB for the whole country; border fortifications; supply and ammo dumps; omit technical descriptions of weapons, weapons R and D, weapons manufacture, reports on individual units or installations of conventional OB)

 Natural features
 Land reclamation
 Pipelines (alignment, product carried, size, progress of construction)
 Population (distribution; movement; data on language, religion, nationality)

Ports
 Power (general country or regional reports on hydro and thermal stations, but omit reports on individual installations)

GROUP II

Country or area

Subject

Belgium
Denmark
France
Italy
Luxembourg
Netherlands
Portugal
Spain
Sweden
Switzerland
West Germany (German
Federal Republic)

Islands:

Azores
Balearic Islands
Canary Islands
Corsica
Madeira Islands
Malta
Sardinia
Sicily

Small states and areas:

Andorra
Gibraltar
Liechtenstein
Monaco
San Marino
Vatican State

Atomic power (reactors, power plants, construction, construction plans)
Communist and rightist parties (location of areas of strength)
Fisheries (location; fishing limits claims; disputes with other countries; types of fish; general reports on quantities; omit periodic reports on quantities)
Internal administrative divisions and boundaries (all data on geographic-administrative structure of the country)
International boundaries (description of boundary and markers; boundary changes; disputes; border security installations and provisions)
Maps, mapping organizations and programs
Military data (general surveys of military zones OB for the whole country, border fortifications, supply and ammo dumps, GM sites; omit data on individual installations, units, technical description of weapons, R and D, weapons manufacture)
Minerals, including petroleum (location of deposits and concessions; production rate; transportation facilities; annual reports; omit technical production problems)
Land reclamation
Pipelines (alignment, product carried, size, progress of construction)
Population movements (omit all other population data except this item and the one immediately below)
Population breakdown by language, religion, nationality
Power (general country or regional reports on hydro and thermal stations, but omit reports on individual installations)
Power transmission lines
Regional development (plans and progress reports)
Territorial sea claims (outer limits, method of measurement, fishing zones)
Urban area development

GROUP III

Country or area

Subject

Ireland
United Kingdom of Great
Britain and Northern
Ireland

Territorial sea claims (outer limits, methods of measurement, fishing zones)
Fisheries (location, including areas off coasts of other countries; fishing limits claims; disputes with other countries; types of fish; general reports on quantities; omit periodic reports on quantities)
